Watch for debit card scams so you can avoid them

Pay close attention if you are contacted about fraudulent debit card activity. Scammers are impersonating Wells Fargo and they may contact you through a text or an automated phone service that seems legitimate.

No Wells Fargo employee will contact you to ask you:

- for your personal or card information, including your PIN.
- for your device account credentials, to share your screen with them, or to accept a video call.
- to transfer money to another person, account, or digital wallet to "protect your account" or "resolve a fraud issue".

Updated limits on Overdraft Fees

Effective October 1, 2024, we will no longer assess overdraft fees on items of \$10 or less. Additionally, if both your ending daily account balance and available balance are overdrawn by \$10 or less after we have processed your transactions, we won't assess an overdraft fee on those items.

Important Account Information

This notice re-establishes that Wells Fargo has the right to conduct setoff for overdrawn deposit account balances, where applicable, and in accordance with your governing Deposit Account Agreement. When we exercise this right, we may reduce funds in any account you hold with us for purposes of paying the amount of the debt, either due or past due, that is owed to us as allowed by the laws governing your account. Our right of setoff won't apply if it would invalidate the tax-deferred status of any tax-deferred retirement account (e.g., a SEP or an IRA) you keep with us. To review a copy of your Deposit Account Agreement, including the provisions related to the right of setoff, please visit wellsfargo.com/online-banking/consumer-account-fees/ or wellsfargo.com/biz/fee-information/.

Important Information You Should Know

- To dispute or report inaccuracies in information we have furnished to a Consumer Reporting Agency about your accounts:

Wells Fargo Bank, N.A. may furnish information about deposit accounts to Early Warning Services. You have the right to dispute the accuracy of information that we have furnished to a consumer reporting agency by writing to us at Overdraft Collection and Recovery, P.O. Box 5058, Portland, OR 97208-5058. Include with the dispute the following information as available: Full name (First, Middle, Last), Complete address, The account number or other information to identify the account being disputed, Last four digits of your social security number, Date of Birth. Please describe the specific information that is inaccurate or in dispute and the basis for the dispute along with supporting documentation. If you believe the information furnished is the result of identity theft, please provide us with an identity theft report.

- If your account has a negative balance:

Please note that an account overdraft that is not resolved 60 days from the date the account first became overdrawn will result in closure and charge off of your account. In this event, it is important that you make arrangements to redirect recurring deposits and payments to another account. The closure will be reported to Early Warning Services. We reserve the right to close and/or charge-off your account at an earlier date, as permitted by law. The laws of some states require us to inform you that this communication is an attempt to collect a debt and that any information obtained will be used for that purpose.

- In case of errors or questions about your electronic transfers:

Telephone us at the number printed on the front of this statement or write us at Wells Fargo Bank, P.O. Box 6995, Portland, OR 97228-6995 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

- In case of errors or questions about other transactions (that are not electronic transfers):

Promptly review your account statement within 30 days after we made it available to you, and notify us of any errors.

- Early Pay Day information

With Early Pay Day, we may make funds from certain eligible direct deposits available for your use up to two days before we receive the funds from your payor. The Bank does not guarantee that any direct deposits will be made available before the date scheduled by the payor, and early availability of funds may vary between direct deposits from the same payor. When funds are made available early, this will be reflected in your account's available balance. Direct deposits made available early with Early Pay Day will not increase your account's ending daily balance, and will not count towards applicable options to avoid your account's monthly service fee, until the deposit posts to your account and is no longer pending (e.g., the pay date scheduled by your payor). Determinations about whether we will authorize and pay transactions and assess overdraft fees are based on an account's available balance. For example, using funds added to your available balance by Early Pay Day may lead to a negative ending daily balance showing on your account and statement while your available balance remains positive and no overdraft fees or returned items result. For interest-bearing accounts, interest on your incoming direct deposit will begin accruing on the business day we receive credit for the deposit from your payor's bank. For additional information about Early Pay Day, please refer to your Deposit Account Agreement.
